Education

Rhode Island School of Design (RISD), Providence RI
Pursuing Bachelor of Fine Arts, Illustration 2010

Design Experience

Graphic Designer, 2004-present
Atlantic Media Services, Voorhees NJ
Contributed composition and placement sense to direct mail pieces. Designed layout for and programmed commercial websites. Developed ads for professional and retail clients.

Freelance Illustrator, 2006-present
Completed time sensitive work for various clients. Includes but is not limited to greeting and occasion cards, character design, promotional flyers, and logo design.

Other Experience

Animation Instructor, 2005-2008
Animation Arts, Marlton NJ
Taught classes focused on traditional 2D animation skills and encouraged creative and critical thinking for students ages 9-16. Demonstrated how to edit projects in Premiere, creating and syncing sound-effects, setting appropriate frames per second.

Computer Lab Monitor 2008-2010
RISD, Providence RI
Provided technical support with computers, printers, and scanners. Assisted students with software issues. Introduced shortcuts and helpful techniques when needed.

Cartooning Instructor, 2009
Camp Emerson, Hinsdale MA
Taught basic cartooning skills to elementary and middle school students, created curriculum encouraging students to think creatively.
